This form must be completed at the conclusion of your internship in order to receive credit. Your responses will be kept confidential. This information will be used to improve the internship program for future UW-Bothell students, so please be honest with you answers.

	1 Strongly Disagree	2 Disagree	3 Neutral	4 Agree	5 Strongly Agree
1. I received a clear job description and valuable training from my employer, preparing me to successfully do my job.					
2. I was provided with the necessary resources to accomplish my work.					
3. My internship experience was interesting and challenging. I was given tasks that were new and/or varied.					
4. My employer helped to make my internship a significant and meaningful learning experience.					
5. I receive regular feedback on my progress and abilities.					
6. I was able to contribute to and be productive for the organization.					
7. My internship has been useful in clarifying my career plans.					
8. I believe my internship will make me more competitive in the job market when I graduate.					
9. I am more confident of my abilities as a result of my internship.					
10. I recommend this employer for prospective internship students.					
Please provide any additional comments and explain any negative comments.					
Thank you!					

Please complete and include in final portfolio.
