Your responses will be kept confidential. This information will be used to improve the internship program for future UW-Bothell students, so please be honest with you answers.

	1 Strongly Disagree	2 Disagree	3 Neutral	4 Agree	5 Strongly Agree
1. I have received a clear job description and my employer has provided me with the necessary training and orientation to do my job.					
2. I have the resources I need to accomplish my work.					
3. My internship experience is interesting and challenging. I am given tasks that are new and/or varied.					
4. My employer helps to make my internship a significant and meaningful learning experience.					
5. I receive regular feedback on my progress and abilities.					
6. I feel that I contribute to the organization.					
7. My internship is preparing me for the workplace and helping me to clarify my career plans.					
Please provide any additional comments and explain any negative comments.					
Thank you!					

**Please complete and return with mid term field notes.**
