UW
BOTHELL

I M A G I N E Summer Camp for Middle School and High School Youth

Join middle and high school students on the University of Washington Bothell campus for a week long summer experience, exploring environmental sustainability thru hands-on activities. Imagine a new perspective on our manmade world and the way we interact with the natural world around us. Morning sessions emphasize the science surrounding sustainability practices and afternoon sessions explore the social issues of keeping our environment healthy long into the future.
