Subject: RN Opening...Full time

Full time opening for RN looking to work with a terrific team in a private duty home health/home care company. This is a position that is a Monday through Friday 8-5 job with call shared with 5 other professionals. The clients are geriatric clients living in their own homes . Case load varies with complexity of clients. The majority of the clients are receiving non-medical home care from nursing assistants. CareForce is innovative in terms of home health and home care. Come to a place where your creativity and innovations are nurtured. Salary DOE with benefits including a great team.

DUTIES INCLUDE:

- Conducting client assessments
- Developing care plans
- Nurse delegating, supervising and training caregivers
- Reviewing records
- If interested, Geriatric Care Management
- Networking on behalf of CareForce

MUST HAVE:

- A current and valid license to practice as a Registered Nurse in the State of Washington.
- Graduate credentials from an accredited School of Nursing.
- Two years of home health or acute care clinical experience.
- Ability to read and write English proficiently, ability to communicate with patients, families, personnel.
- A current and valid Washington State driver's license and valid vehicle insurance.
- Basic computer skills: use of Office Outlook and Word as well as ability with orientation to use user friendly care management software
