

# QSC Standards

## 1. **Sign In**

List the class you're here for and what you need help with.

## 2. **Check The Schedule**

Tutors have different specialties and different shifts; not all subjects are covered during all QSC hours -- check the schedule online, in the Center, or next to the door.

## 3. **Peer Tutors**

While we are knowledgeable, we don't know everything. We don't guarantee grades, or that we'll always be correct.

## 4. **Guide Your Learning**

We will help you work through concepts, suggest ways to approach or fix problems, and help improve your study skills. We will not do problems for you, or give you answers.

## 5. **Come Prepared**

Attend class, take notes, read the textbook, try the homework, etc...

## 6. **Improve Your Learning**

We will encourage you to work on your own after some assistance so that you can improve your learning, and so that others can receive help.

## 7. **Share The Tutors**

Since we're drop-in, tutors have to help all students; we appreciate your patience!

## 8. **Respect Each Other**

Students and tutors will treat each other with respect and kindness.

## 9. **Help Reduce Noise**

Silence your cell phone, take calls in the hall, and keep your voice at an indoor level to respect others' learning.

## 10. **Computer Use**

Computers are for quantitative use. Please do not play games on them, check your Facebook status, etc...

## 11. **Clean Up**

Please clean up after yourself before you leave.
