

# Configuring UW Email to your Smartphone or Tablet

Begin by accessing the mail settings in your mobile device.  
You will be prompted to enter these values:

Name: *Your name*

Email: *uwnetid@u.washington.edu\**

Password: *uwnetid\_password\**

When prompted, select **IMAP**

Incoming IMAP server: *uwnetid.deskmail.washington.edu*

Outgoing SMTP server: *smtp.washgton.edu*

\*Replace “uwnetid” and “password” with your assigned NETID and password.
