

## Student Technology Fee Request for Funding-Page 1

Program Title: Campus Library Circulating Student Laptops

Campus Affiliation: Campus Library

Contact Person: Rob Estes

Email: restes@uwb.edu

Campus Phone No. 2-5242

Campus Box No. 358550

### **Brief Project Overview**

Students have exhibited an increasing demand for laptop computer access while on campus, within the Campus Library, and from home or other remote locations. Students working in groups are frequently in need of laptops for taking notes and collaborating on group projects. Students also will often check out a laptop and go in search of a quiet place to study inside the Library.

The Campus Library currently circulates 8 Library laptops for shared use by the students of UWB and CCC. The Campus Library funded five of these laptops, and the ASUWB funded the other three of them 2 years ago. For UWB students, these laptops supplement the 15 that the Library circulates under an annual circulation agreement between the ASUWB and the Library, for a current total of 23 laptops available for UWB student use. (5 in-library use only and 18 72-hour checkout)

We are requesting the funding from UWB for three (3) more laptops for a total of six (6) that will be funded by UWB. We have also requested funding for four (4) of the laptops from Cascadia. (*The ratio of funding for shared campus resources between UWB and Cascadia has traditionally been 60% UWB, 40% CCC*). If the funding is approved from both campuses, students from CCC and UWB will have access to 15 Library laptops which will be supported, maintained, and circulated at the expense of the Campus Library for three years from their date of purchase. (*UWB students will also still have access to the 15 UWB-only laptops that they purchased, provided that the Circulation and Support agreement continues to be funded.*)

If Cascadia does not fund any laptops and UWB does, then all six of the UWB funded laptops will be for the 72-hour use of UWB students exclusively, with no circulation privileges for Cascadia students. The five laptops funded by the Library will remain available for the in-Library use of both UW and CCC students until next year.

### **Full description of the project that includes the following sections:**

#### **A. The goal of the program or project**

The goal of this program is to provide new replacement laptops as a resource for students to utilize in the pursuit of their educational goals. These laptops are newer, lighter, faster and will be much more reliable and compatible with the next generation of the Windows Operating System.

#### **B. A description of the program and how it will benefit the student body**

The benefit of this program to the student body will be reliable new laptops available for both take-home and in-Library use. These laptops will also be capable of running the next generation of the Windows Operating System for PC's.

#### **C. Specific information about the equipment and/or services being requested**

Dell Latitude D430	Core2 Duo Processor ULV U7600 (1.20GHz, 533Mhz)
12.1" XGA LCD display	80 GB Hard Drive
2 GB RAM	56K Modem
8x DVD+/-RW Drive	Floppy Drive
Dual Band Wireless	Nylon Carrying Case

3-year warranty with Complete Care coverage for accidental damage or typical wear.

**D. How the project will be implemented and by whom**

The implementation of this project will be handled completely by the Library Technology Services staff within the Campus Library. Library Technology Services will purchase, configure and maintain the Library laptops. Reference librarians, Student Technology Consultants and other Library staff will provide assistance for student use and circulation of the laptops. The Campus Library agrees to incur related ongoing costs for providing these services, such as those associated with technical support, maintenance and user education.

**E. What departments will be involved in the installation and support of this project**

The installation and support of this project will be handled completely by the Library Technology Services staff within the Campus Library.
